**MediPIET**

Mediterranean Programme for Intervention  
Epidemiology Training

## PRACTICAL INFORMATION

### **PROGRAMME:**

The theme of the Second Annual Scientific Conference of the Mediterranean Programme of Intervention Epidemiology Training' (ASC MediPIET) is "Protecting Public Health Across Borders", mainly focused on infectious diseases across the Mediterranean and Black Sea Regions and worldwide in regard of getting evidence for diseases prevention and control, and public health policy making.

This year, as a new feature, MediPIET will be having on 6th December a joint day conference with EMPHNET, Eastern Mediterranean Public Health Network. This joint scientific activity shows the increasing interest in strengthening the bonds between MediPIET and other networks.

MediPIET Annual Scientific Conference: from **6th to 8th December 2016**.

The ASC is preceded by the TCF meeting on **Monday 5th December** and followed by the SAB and PCC meeting, on **9th December**.

### **VENUE:**

The MediPIET conference will be held in Marrakesh, Morocco, from 6th to 8th December 2016, at **Les Jardins de l'Agdal hotel**.

**We strongly recommend that you travel with your printed flight tickets and the above-mentioned documents.**

## **TRAVEL INSURANCE:**

Please remember to print and travel with the travel insurance document that we have sent you.

## **TRANSFER AIRPORT-HOTEL:**

### From/to Marrakesh:

We have arranged a **shuttle service** from the airport to the hotel and from the hotel back to the airport on your departure.

A driver with a MediPIET sign will be waiting for you at the airport upon arrival to take you to the hotel.

**Airport:** Marrakesh Menara Airport is located 16 kilometers from Marrakesh.

### From/to Casablanca:

In case you flight to Casablanca, a driver with a MediPIET sign will be waiting for you at the airport and will take you to the hotel in Marrakesh. The journey is about 3 hours.

A driver will take you back from Marrakesh to Casablanca on your departure.

## **PER DIEM:**

According to EC regulations, "per diems cover accommodation, meals, tips, local travel, and sundry expenses." In no case they will represent a payment for participating in project activities. Per diem vary from activity to activity depending on the location and on the services provided to all participants by the organisation. In this case FIIAPP will provide transfer from and to the airport, meals (lunch and dinner) at the hotel, as well as accommodation.

Per diem are **only for non-residents**, i.e. participants who need to travel to attend the activity.

The per diem you will receive in this occasion (30 EURO) is a sum to face remaining costs you may have during your stay which are considered as reimbursable according to EC regulations. Per diem will be paid by bank transfer – we remind that bank commissions are applied both to the sender (FIIAPP) and to the recipient (each participant).
